

Generation 2 Smart Plug

Application

Works with Smart Life APP / AvatarControls App

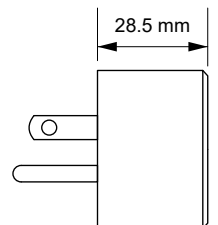

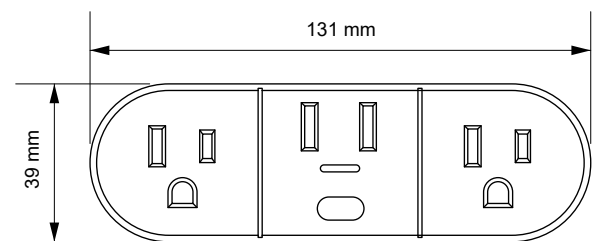

- Smart home
- Smart office
- Individual studio
- Serving the life of the elderly

Features

- More Stable Connectivity
- Smart Voice Control
- Timer Scheduling & Group Controller
- Easy Install/Use & Control Anywhere
- Two controlled main plug & 2 always on USB
- Multiple Safeguards & Safety as Priority

Product Code	SK521-WU
Input Voltage/Frequency	125V/60Hz
Max switchable load current	15A(Max)
Max loading power@125V	1875W
Standby power	0.5W
Safety Requirements	ETL
EMC/radio disturbance characteristics	FCC
Insertion and extraction lifetime	>5000cycles
Ambient temperature range	-20°C~+45°C
Storage temperature range	-20°C~+80°C
Ingress protection	IP20
USB	2.1A

Dimensions

Wifi enabled 
Google, Apple compatible
