Dehumidifier PD-HPC750-WT

Features

- **SELF-DIAGNOSIS & PROTECTION:** Self-diagnosis function plus auto-cut off protection for safety
- **EASY MOBILITY:** Equipped with handles and 360-degree casters for flexible movement
- **CONVENIENT WATER TANK:** Front-placed water tank for easy access and refilling
- **FILTER MAINTENANCE REMINDER:** Filter clean warning indicator to prompt timely filter care
- **ADJUSTABLE FAN & TIMER:** 3 fan speeds optional, 24-hour timer for customized use
- **SMART OPERATION:** Auto restart and auto defrost functions for hassle-free use
- **USER-FRIENDLY ALERTS & LOCK:** Water full alarm to avoid overflow and child lock for safety
- **COMPRESSOR PROTECTION:** Compressor exhausting temperature protection to extend product lifespan

Specifications

Product Code	PD-HPC750-WT
Dimensions	15.4 x 11.3 x 24.4 inch
Rated Input Power	545 W
Rated Current	4.8 A
Dehumidifying Capacity	50 Pints/Day
IEF	2.2 L/kwh
Noise Level	≤ 53dB(A)
Refrigerant	R32
Tank Volume	16.9 Pints
